

Worksheet 1: Raw Material Dump

Do not overthink this. Write quickly. You will polish later.

Part A - My Interests

What do I naturally pay attention to?

I could talk about this for a long time:

I get curious when I see problems with:

Part B - My Strengths

Things people ask me for help with:

Things I do better than I give myself credit for:

Skills I am building:

Part C - My Story

A challenge I have handled:

Something I have built, created, led, helped with, or improved:

A moment I was proud of myself:

A responsibility I have had at home, school, work, sports, church, or in my community:

A problem I want to help solve one day:
