

Worksheet 5: Pitch Builder

Build three versions: 3 seconds, 30 seconds, and 3 minutes.

3-Second Introduction

Quick Intro

Formula: Name + identity + direction

Examples: I am Maya, a creative problem-solver interested in business and design. / I am Jordan, a student entrepreneur learning how to build products that help my community.

My 3-second intro:

30-Second Pitch

Formula: Who I am + what I care about + what I am building/learning + where I am going.

Hi, my name is:

I am a student interested in:

I care about:

This summer, I am learning/building/working on:

Long term, I want to:

My full 30-second pitch:

3-Minute Pitch / Tell Me About Yourself

Use this for interviews, presentations, panels, or deeper conversations.

Opening identity - My name is, and I would describe myself as:

Origin story - A big part of my story is:

Experience that shaped me:

That taught me:

Strengths I bring:

Right now, I am working on:

In the future, I want to:

The reason this matters to me is:

My closing sentence:
